

CapVest announces Scandinavian Standard IPO on NASDAQ OMX

We are pleased to advise that Scandinavian Standard AB, the leading producer of chicken-based food products in Sweden, Norway and Denmark, was this morning successfully listed on the NASDAQ OMX in Stockholm ("SCST"). SCST floated at a market capitalisation of SEK2.4 billion (€262 million) (SEK40/share), equating to a total enterprise valuation of SEK3.7 billion (€405 million).
